OSHA Data Information Services (ODIS) is a premier compiler of consumer and business information that specializes in sourcing public records from federal, state, county, municipal and international governments. Its experience with the Freedom of Information Act (FOIA) and equivalent state and international open public records laws, along with long standing relationships with government agencies, offers efficiencies unavailable to those seeking to obtain government sourced data independently.

The EBSA is responsible for educating and assisting over 150 million Americans covered by more than 700,000 private retirement plans, 2.5 million health plans and various other welfare benefit plans. EBSA promotes voluntary compliance and facilitates self-regulation, working diligently to provide quality assistance to plan participants and beneficiaries.

This file contains the identities of the Plan Sponsors, Actuaries and Insurance Brokers who are responsible for administering each plan. Plans include health, life, dental, disability, vision, profit sharing, stock, bonus, severance, legal services and educational assistance.
