OSHA Data Information Services (ODIS) is a premier compiler of consumer and business information that specializes in sourcing public records from federal, state, county, municipal and international governments. Its experience with the Freedom of Information Act (FOIA) and equivalent state and international open public records laws, along with long standing relationships with government agencies, offers efficiencies unavailable to those seeking to obtain government sourced data independently.

This file is a listing of alcohol industry members registered with federal Tax and Trade Bureau who hold permits under the Federal Alcohol Administration Act. These permits allow production, bottling, importation or distribution of beverage alcohol products. It includes wholesalers, importers, spirits producers and bottlers and wine producers and blenders.
